Good Morning Everyone!

I am pleased to announce that Dr. Rodenbeck of ATSDR will be joining our call tomorrow morning to walk us through the process that will be utilized to evaluate the health assessment request made by the City of Riverside. We'll ask Dr. Rodenbeck lead the call as the first item, and will discuss routine updates afterwards. If needed more time is needed on routine items, we can set up separate follow-up calls.

Thanks!

Maryam

Good Morning Everyone!

Dot asked me to set up weekly calls for the Riverside Ag Park off Site Evaluation Work Group. It has been a bit of a struggle to find a weekly time that works for everyone. Giving consideration to those who work compressed schedules, I avoided Fridays. Thursday mornings seem to work best for the calendars that I have access to. Thanks!
